LOGO & USAGE

Full Logo

The Full Logo, featuring the Logo Mark and the name "Midlands Innovation X-Change," is one of two approved logos. Use it when space allows and audiences may not recognize the MIX, such as on signage, presentations, banners, or flyers. The full-color version is preferred, with single-color options available if needed.

Simplified Logo

The Simplified Logo, featuring the Logo Mark can be used when space is limited or a casual look is needed. The full-color version is preferred, with single-color options available if required.

PRIMARY PALETTE

The primary colors should be the common thread throughout any designed pieces related to the brand. Unless there is reason to avoid it, at least one element of the design should utilize the primary colors.
